Dear Jack,

In accordance with procedures outlined in subject Contract, please find attached hereto list of material and equipment, designated as Production List Number 1.

As we have never received a priced spares list from previous Contract (HF5111B), estimated cost column has not been completed.

Expedite delivery will be appreciated on those items which have an asterisk preceding part numbers.

Delivery of remaining items will be accepted at your convenience, but preferably prior to 1 May 1958.

Sincerely,

STATINTL
